

## Correction to: 2017 ACC/AAP/AHA Health Policy Statement on Opportunities and Challenges in Pediatric Drug Development: Learning From Sildenafil

In the article by Sable et al, “2017 ACC/AAP/AHA Health Policy Statement on Opportunities and Challenges in Pediatric Drug Development: Learning From Sildenafil,” which published June 29, 2017, in the journal (*Circ Cardiovasc Qual Outcomes*. 2017;10:e000026. doi: 10.1161/HCQ.0000000000000026), several corrections were needed.

1. On the title page, in the footnotes, the explanation for the double dagger (‡) read, “American Academy of Pediatrics Representative.” It has been updated to “US Food and Drug Administration Representative.”
2. On the title page, in the footnotes, the explanation for the section mark (§) read, “US Food and Drug Administration Representative.” It has been updated to “American Academy of Pediatrics Representative.”
3. In the byline, the double dagger now indicates that Drs Clayton-Jeter, Murphy, Nelson, and Stockbridge are representatives of the US Food and Drug Administration.
4. In the byline, the section mark now indicates that Drs Jenkins, Morrow, and Rosenthal are representatives of the American Academy of Pediatrics.

These corrections have been made to the current online version of the article, which is available at <http://circoutcomes.ahajournals.org/content/10/7/e000026>.
